

A special screening of:

The Future of Food

an acclaimed 89 minute documentary by Deborah Koons Garcia
followed by a discussion
with experts and local activists

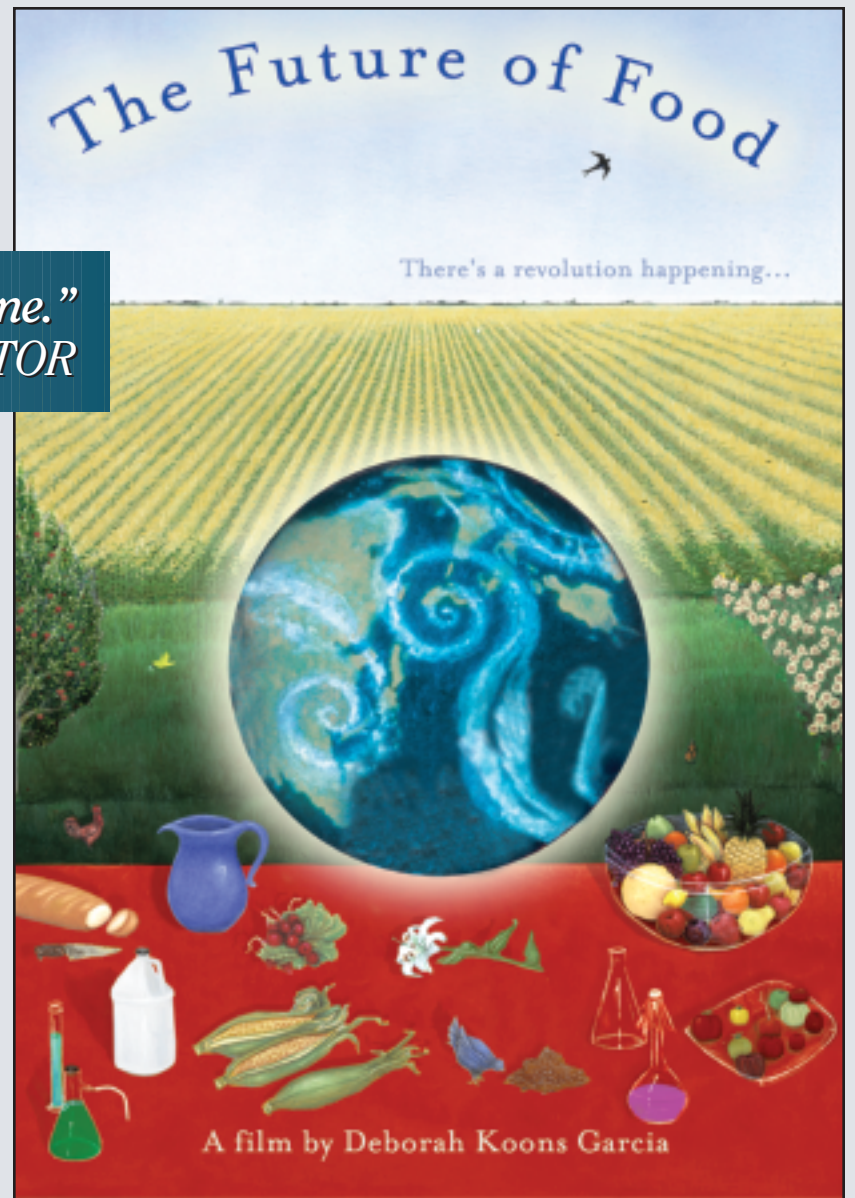

*"There's a stunning revelation in almost every scene."
— David Sterritt, CHRISTIAN SCIENCE MONITOR*

**Sunday
January 29, 2006
3:30 p.m.**

at Bryn Mawr College

Carpenter Library lower level lecture hall

For directions: www.brynmawr.edu/visit/map_directions.shtml

**A chilling exposé on how genetically engineered crops
have infected our food supply.**

Plenty to both anger you and inspire you to action.

Admission \$15.00/\$10 for CAPHA & FNLP members

— Limited number of free passes available to students in advance —

RSVP: 610.640.2788 or capha@capha.org
